Year of Saint Joseph

"Each of us can discover in Joseph - the man who goes unnoticed, a daily, discreet and hidden presence - an intercessor, a support and a guide in times of trouble."

~ *Pope Francis*

"On World Mission Day, which we celebrate each year on the penultimate Sunday of October, we recall with gratitude all those men and women who by their testimony of life help us to renew our baptismal commitment to be generous and joyful apostles of the Gospel. Let us remember especially all those who resolutely set out, leaving home and family behind, to bring the Gospel to all those places and people athirst for its saving message."

~ *Pope Francis*

October is Respect Life Month

A message from the Most Rev. Joseph F. Naumann, chairman of the U.S. Conference of Catholic Bishops' Committee on Pro-Life Activities:

"The month of October brings with it our annual observance of Respect Life Month. As part of the Year of St. Joseph declared by Pope Francis, this year's celebration highlights the example of that great saint.

As the faithful protector of both Jesus and Mary, we find in St. Joseph a profound reminder of our own call to welcome, safeguard, and defend God's precious gift of human life."

Inspiration for the Week

by Rev. Mark Suslenko

"To fall in love with God is the greatest romance; to seek Him the greatest adventure; to find Him the greatest human achievement." These words of St. Augustine are timeless. Every human being would undoubtedly profit with wisdom if they realized Who calls them and to Whom they belong. There is only one way to satisfy the deepest longing of the human heart, which is in relationship with our Creator. When we seek God with genuine sincerity of heart and God passes us along our way, we will cry out, "Jesus, Son of David, have pity on me!" We will instinctively know that only our Divine Master can restore our sight and heal us. The blind man fell in love with Jesus, embarked upon this life-saving adventure to reach him, and achieved a goal many have only remotely thought possible. That is mercy in action. No matter how far we stray or how blind we become, God patiently waits to console us, guide us, and heal us. All we need to do is desire Him with all our hearts.

Food Drive Thank You from St. Vincent de Paul

Thanks to everyone who contributed to our recent Food Drive. Again, the response was overwhelming. A special thanks to the Knights of Columbus for their help with collecting and transporting the donations.

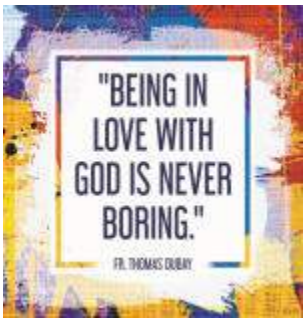
Nov 2: Feast of All Souls

November is traditionally the time to commemorate our loved ones and all souls who have departed this life. This time of prayer helps us remember that we are still connected with them and united to God, who desires all of His children to be with Him in heaven. The Church teaches that those who have died need our prayers as well.

Remembrance envelopes for All Souls Day, Nov. 2, are available at the entrances of St. Paul Church. These envelopes are placed on the altar, and the deceased are remembered throughout November.

"Son of David, have pity on me." Jesus stopped and said, "Call him." So they called the blind man, saying to him, "Take courage; get up, Jesus is calling you." Jesus said to him in reply, "What do you want me to do for you?" The blind man replied to him, "Master, I want to see."

— Mk 10:48c-49, 51



When we see God with true sincerity of heart and God passes us along our way, it is only then that we will be able to cry out, "Jesus, son of David, have pity on me!" We have to truly want to be healed by and in union with God for us to reach out to him. If God is only an abstract idea, theory, or someone found in the pages of a book, there is no motivation for a relationship and no desire to seek him. God needs to be real for faith to be real. It's all about the journey.

St. Augustine reminds us that "to fall in love with God is the greatest romance; to seek Him the greatest adventure; to find Him the greatest human achievement." We strive after many things, and mercy is not always one of them. We think that we can find fulfillment and healing in other things only to discover that we are still short and empty. From the moment human beings were created, God has been calling us and seeking us. He has been walking right beside the human story from the minute He first breathed life into the first human soul. Are we able to recognize God as He walks with us? At some point, we have to realize that there is only one way to satisfy the human heart's deepest longings, which is in relationship with our Creator. We are called to this. However, we make the huge error of thinking that what we hear is coming from somewhere else. We become confused. Every human being would undoubtedly profit with wisdom if they realized Who calls them and to Whom they belong.

Then and only then will we realize that it is only our Divine Master who can give us true vision and heal us. Once we recognize and reach out for the merciful presence of our loving Maker, we will be able to see with our soul, understanding the true nature and depth of all things. God's mercy is always available. It doesn't matter how far we have strayed or how blind we become; God patiently waits to console us, guide us and heal us. All we need to do is desire Him. Once we reach out, we also realize that there is no greater love to be found than God's, no human adventure that comes even close to the thrill of a spiritual search, and no human achievement even remotely as satisfying as union with Him. This is where we belong. This is salvation

~ Rev. Mark Suslenko

Registration weekends: Oct. 23 & 24; Oct. 30 and 31

Are you a registered member of SS. Isidore and Maria Parish? Is the information we have on-hand for you and your family accurate and up-to-date?

During the pandemic, we learned that having accurate contact information for all members of our parish is crucial to providing a continued sense of community.

Being registered as a parish member is the BEST way to ensure that we can plan for and meet your pastoral needs. It also provides an opportunity for Father Mark and the parish staff to get to know you better, help you and your family during times of both joy and struggle, and keep you updated on what's happening across the parish community. For this to happen, we need your help.

If you are new to the parish, welcome! To register, please visit https://hartford.parishsoftfamilysuite.com/ and select "New User." Create your self-service account in our database through ParishSoft. Doing so enables you to securely update your address, phone, email, and family information at any time.

If you are a registered parishioner WITHOUT a "MyOwnChurch" account, please create one, await account approval (usually less than one business day), and review the information we currently have on file for you and your family.

If you are a registered parishioner WITH a "MyOwnChurch" account, please sign onto your "MyOwnChurch" account to review the accuracy of your address, phone, number, email, ministries, interests, etc., and update accordingly.

Not tech-savvy? Not sure what to do? We have you covered! Following all Masses on Oct. 23 and 24 and Oct. 30 and 31, we'll have volunteers from the parish staff and youth ministry ready to help create a "MyOwnChurch" account or update whatever information is currently on file.

By registering with SS. Isidore and Maria Parish, you declare your desire to be part of our Catholic faith community. Questions? Contact us via email, or call the main office 860-633-9419, and ask for Carol or Donna.

Thank you in advance for your help with this effort.

This Day in History — Oct. 27, 1904

New York City Subway:
The World's first underground and underwater subway.

The City Hall station of the IRT Lexington Avenue Line

The first underground line of the subway way opened on October 27, 1904, built by the Interborough Rapid Transit Co. (IRT) almost 36 years after the opening of the first elevated line in New York City. The 9.1-mile subway line, then called the "Manhattan Main Line", ran from City Hall station northward under Lafayette St. and Park Ave. before turning westward at 42nd St. It then curved northward again at Times Square, continuing under Broadway before terminating in Harlem. Its operation was leased to the Interborough Rapid Transit Co. and over 150,000 passengers paid the 5¢ fare to ride it on the first day of operation.

Say Oliver, too bad we weren't around to help dig out the subway in NY. Fr. Mark knows we are "experts"! We are digging a "subway" at the fence!
