Inspiration for the Week

Any good farmer will tell you that regardless of how good the quality of the seed, its sprouting and bearing of effective fruit is dependent upon the quality of the soil. Preparing the soil is one of the most essential components of farming. There is no doubt that the seed of God's Word will eventually achieve its purpose. God cannot and will not fail. When and how that seed bears fruit is, however, dependent upon us. What is the quality and condition of your soil? Life's concerns and preoccupations can cause us to become inattentive to our inner life. This sometimes unintentional neglect can result in our soil becoming hard, overgrown with weeds, rocky, parched, and lifeless. When God's seed is sown, it doesn't always take root because it struggles to establish roots and flourish. How can you more attentively attend to the soil of your heart so that it will be a fertile and vital place for the fruit of the Gospel to grow?

~ Rev. Mark Suslenko

The St. Vincent de Paul Society and those in need in our community THANK YOU!

PS: You may continue to donate food by placing your donation in the box near the rear entrance of the Church. Money and gift cards can be placed in the offertory box outside of the Church office. Please mark your envelope as food donations.

“Dog days” are considered to begin in early July in the Northern Hemisphere, when the hot sultry weather of summer usually starts. They were historically connected with Greek and Roman astrology denoting *heat, drought, sudden thunderstorms, lethargy, fever, mad dogs, and bad luck*. They are now taken to be the hottest, most uncomfortable part of summer.

~ Wikipedia

So, we are asking all our friends to remind Fr. Mark that treats are always welcome especially on these Dog Days!! We can skip the thunderstorms, right Harry?

Harry & Oliver's Corner

Using the best seeds doesn't always guarantee the best plants. An older Italian gentleman straight from Italy gave me these amazing tomato seeds that he claimed produced the best tomatoes ever grown. Without doubt, the fruit he shared with me was a testament to that fact. These tomatoes were amazing! I couldn't wait until the next growing season to plant these seeds and harvest my own tomatoes. The whole experiment ended up a failure. I did everything the gentleman said, but my fruit didn't even come close. What happened? At first I was perplexed, then some years later the light dawned. The problem wasn't the seeds, it was the soil!

You cannot sow seeds in any old place and in a haphazard way and expect them to be at their best. It doesn't work that way. Planting the seeds is the easiest part. Preparing the soil is the challenge. Tilling, mulching, enriching, and building up the nutrients are all required for good fruit. Then after the seeds are planted, more care is required in order to maintain that healthy, nutrient rich environment for those seeds to sprout, grow, and flourish. God happily sows the seeds of his Word. What do we do with them?

If we expect to be a passive bystander and have good fruit magically grow, we are mistaken. Bearing the good fruit of God's Word requires preparation and work. We have to cultivate the soil of our lives so that those seeds can find a proper home. This one thing alone takes a great deal of patience, time, and effort. What kind of preparation have we put into our lives so that we can be a recipient of God's seed? It takes a great deal of soul-searching and ego-checking to properly prepare. God is the ever faithful and persistent sower. If the seeds do not bear fruit the first time, God will come back time and time again, giving it another try.

If we have created a suitable bed for sowing, then once the seed is sown, we must properly maintain them. What is our maintenance plan for the seeds of God's Word? We need not only a source for water but a watering schedule. We need to weed, aerate the soil, nurture the young plants, protect them, and provide proper nutrients. What does our spiritual maintenance plan look like? If we have done all things well, imagine what the seeds of God's Word could produce in us!

2020 Mission Cooperative Appeal Collection

will be taken as a **second collection next weekend July 19th**. Because of the coronavirus pandemic, the missionaries are not able to be with us this year; however, although physically distant, we have the opportunity to be present to them through our spiritual and financial support.

The ministries of **The Salesian Fathers** will benefit from our parish's generosity. Our assistance will help with them in their outreach in more than 130 nations including care for homeless and runaway youth and vocational training for young men and women so that they might become self-sufficient and be able to give back to the well-being of their society.

Our sharing in response to Christ's call that we "love one another" will bring His hope into the lives of many. We ask your generous response. Checks may be made out to *The Catholic Mission Aid Office*. On their behalf, thank you.
