### Inspiration for the Week

by Rev. Mark Suslenko

*Are we willing to be taught by God?* If we are, then we will begin to see things and make judgments using a Divine lens. Often, we perceive things with purely human eyes and reference points. When we do this, reality can lose its Divine spark and we miss what God is trying to say. When using human eyes exclusively, Jesus is at best perceived simply as a prophet who has some wise things to say. The human element has a difficult time seeing Jesus' divinity and recognizing him as the Bread of Life that comes down from heaven. We can easily get stuck on Jesus' human associations and overlook the marvelous wonders God wants us to see. If we really allow ourselves to be taught by God, we will then come to see the truth about Jesus and the abundant everlasting life God offers. Jesus becomes the key that unlocks all of our relationships: with God, others, ourselves, and creation. He, as the true and lasting bread from heaven, shows us the gifts of faith, hope, and love that God bestows on us. Through this divine lens we see that all life sparkles and glows with God's love.

SS. Isidore and Maria Parish welcomes the community at large to enjoy the Oasis of Beauty fine art show on **Sat., Oct. 2 from 5 to 7 p.m.** at St. Paul Church, 2577 Main St., Glastonbury, CT.

The show features art in various mediums by local artists along with live music courtesy of the parish music ministry. Wine will be available to anyone age 21 or older, along with a light snacks.

Come and enjoy a FREE event designed to soothe and enrich your inner soul. All are welcome.

**The lens through which we view life makes a difference.** It also determines who we choose to learn from and what we allow to shape our thoughts and feelings. For many, life is simply what it appears to be, a given that either through evolution or some other means just came to be. There is no apparent rhyme or reason to things and things can be dissected and understood only in terms of what they empirically present. To the person using this lens, a tree is a tree and a flower is a flower. Their composition and existence can be understood only to the extent that current human

knowledge allows. Through this lens, what gives life purpose and meaning? This lens has an essentially unknown beginning and definite end. Once those are accepted, the middle becomes some kind of pursuit of happiness, with values and principles being things that are self-created and found acceptable.

But there is a Divine lens that also exists and deserves mention. It is found when one stumbles upon faith and begins to see things differently. This lens is of God and reveals a Divine Energy and Life that flows through and in all things. Faith then shows us that all that lives comes from this one Source of Love. This is the only true lens that can give human beings the purpose and meaning they desperately need. From this perspective, all of life is much more than what is immediately apparent! It now tells and reveals a story about God's generous, creative, and unconditional love! The unfolding of the human story is the unfolding of

God's story. What meaning our lives have when they are viewed as a part of God's love affair with humanity! We are indeed special.

The lens of our faith asks us to learn from Jesus Christ. Jesus, as the real Bread of Life, shows us our eternal destiny and completes and frames our lives. It is only in allowing ourselves to be taught by Jesus, that faith, hope, and love take on much greater importance. All the relationships in our lives are now structured and ordered using God's primary commandment of love. Jesus, then, is not just some man who lived at some point in history. Jesus is the incarnate Son of God who shows us the way, the truth, and the life. Using this lens changes things up a great deal. Looking at the creation that surrounds you and the special unique people you love, what is God trying to teach you about His love for you and the eternal life He wants you to have?

## Made for More is for EVERYONE!

As parishes and families try to keep up with a fast-moving world where the definition and purpose of our humanity seem to constantly change, an eye-opening and breathtakingly beautiful national touring event called **Made for More: Visions of the Promised Land** is coming to **St. Catherine of Siena Parish in Simsbury on Oct. 1, 2021, and SS. Isidore and Maria Parish on March 5, 2022.**

The event, is led by Christopher West, a world-renowned teacher of St. John Paul II's liberating vision of human life and love entitled "Theology of the Body." He is joined on-stage by internationally touring folk/Americana musician Mike Mangione. Together with those in attendance, they will dive deeply into life's deepest questions and provide both grounding and great hope.

"Where do we come from and where are we going? If we don't have compelling answers to these questions, we have no orientation in our lives." says West. "This is not just a lecture or a talk. It's an evening of beauty and reflection that weaves music, video, images and the spoken word into a message of hope that there really is a banquet of love that corresponds to the deepest hunger of our hearts."

And it's an evening of beauty open to anyone who is ready to ponder the questions "Who am I, what am I, and where am I going?" This event is for married, single, celibate, Catholic, non-Catholic, devout or skeptic, no matter their age!

For more information or to purchase tickets for either presentation, visit <https://isidoreandmaria.org/faith-formation/activities/made-for-more/>

## This Day in History — August 9, 1944

*Smokey Bear's debut poster. Art by Albert Staehle.*

## Smokey Bear

The first Smokey Bear poster debuts in 1944. Because of this, August 9 is used as Smokey's birthday.

The poster used the slogan, "Care will prevent 9 out of 10 forest fires!" In 1950, a bear cub was rescued from a New Mexico wildfire and became the live embodiment of the cartoon Smokey Bear. The slogan eventually became, "Only You Can Prevent Wildfires."

Harry and I want to remind all our friends to be extra careful this summer with fire while enjoying hikes, barbecues and fire pits. Remember... Only YOU can prevent...
