

The Lost Sheep Thank You Note

Directions: Read *Luke 15:1-7*. The parable of the lost sheep tells us how much God loves people who make mistakes. He leaves those who are good to go out to save those who have been bad. Inside the sheep's wool, write some of the mistakes people your age can make. Then write a thank you note to Christ, the Good Shepherd, for coming to save them anyway.

Directions: Write a thank you note to God for coming to save those who are lost.
