Family Reflection on Stations of the Cross

Date of Stations of the Cross: Family Name:	
The Stations of the Cross is a special devotional prayer that helps us recall the tremendous love of Jesus Christ as He suffered and died on the cross for our salvation. This Lenten so we invite families to walk alongside Christ on the journey of his Passion as we remember of brothers and sisters around the world today who experience suffering and poverty. We have incorporated a brief quiet moment of reflection following each Station.	easoı ur
Prayer booklets will be available at the service. Children in grades 1-3 received a special Star of the Cross wheel along with a narrative on each station to help them in understanding and appreciating Jesus' last days on earth. We also have a narrative for children in grades 4 and older that we have used in the previous years. Both narratives are available on our website it Resource section of the Faith Formation Page.	d I
