appropriate for them; let's work together to exceed our parish goal. Donation packets are at the doors of the church, or you may make your donation online at <https://archdioceseofhartford.org/appeal/>. Thank you for your consideration.

Summer Pop-Up Choirs are here!

What's a pop-up choir? It's a spontaneous gathering of parishioners wishing to sing together in the choir loft during

Mass. No experience is required, and there's no need to RSVP. Just bring your joy-filled voice for a brief rehearsal before one of the following Masses:

- **Pop-up Children & Youth Choir** (through high school)
Sat., Aug. 24 at 4 p.m. (rehearsal at 3:15 p.m.)
- **Pop-Up Gallery Choir for Adults**
Sun., Aug. 25 at 9:30 a.m. (rehearsal at 9 a.m.)

Summer Pop-Up Choirs are great opportunities to try choral singing and get to know your fellow parishioners! Questions? Reach out to **David Garrido-Cid**, Director of Music Ministries, at david@isidoreandmaria.org. We hope to see you in the choir loft soon!

Inspiration for the Week *by Rev. Mark Suslenko*

When we lose our ability to trust, we become afraid.

When we are afraid, we may grumble and question whether we are where we need to be. For us who have faith, we even question whether God is who God says He is. Trust is so vital to our success on our journey. Often, the road of our lives becomes treacherous. We may feel more unsettled than comfortable and less fulfilled than we would like. As much as we try, our puzzle pieces don't quite fit together as they ought. We wonder if we will ever experience happiness again. Then, something reminds us that God is very much present in this mess we call life. God is still bringing hope out of despair and life out of death. After all, God is the true bread that comes down from heaven to give life. All that is necessary is to trust this truth, even when we may lack some of life's essentials. The God who gives life is the same God who sustains it. He is the same God who assures us that we will not perish.

Faith Formation Registration Continues Through Aug. 16

Bakers Needed!

Do you enjoy baking? The parishioners of SS. Isidore and Maria have been invited to join the **Cookie Ministry** headed up by St. Dunstan Parish.

Each month, the Cookie Ministry provides home-baked sweet treats (cookies, cupcakes, breads, bars, brownies, pies, fudge, etc.) for those living at the St. Joseph Residence of the Little Sisters of the Poor in Enfield.

If you are interested in participating, please get in touch with **Anna Marie** at amsamulis@cox.net, or 203-500-1972.

God in his omnipotence could not give more, in His wisdom He knew not how to give more, in His riches He had not more to give, than the Eucharist. ~ St. Augustine ~

August Prayer Intention from The Holy Father

For political leaders

We pray that political leaders be at the service of their own people, working for integral human development and for the common good, especially caring for the poor and those who have lost their jobs.

Pope Francis

"You cannot see the forest for the trees" is a widely known saying that can bring wisdom to understanding our journey. Often, our sight becomes limited to what is

immediately before us. We lose touch with lessons and experiences from the past and promises and hope for the future. As human beings, we have the privilege of choosing things. What I like and don't like, want and don't want, can be significant preoccupations in our minds and hearts. Our preferences and desires begin to define us more than the simple fact of our being. Who we are matters more than what we are or what we have. If we don't move beyond the external and superficial stuff to what is of essence, we risk becoming very unsettled, disorientated, angry, and unhappy. We fail to see the bigger picture of hope and promise that lies ahead and the Divine Presence that has sustained and carried us before.

We like it when the "now" time of our lives satisfies us. Even the people who witnessed Jesus feed the five thousand got confused and distracted. It felt good when thousands of people were able to eat. They wanted to know what they could do to get this to happen again! But Jesus quickly reminds them that this is not the point of this sign. As much as the "now" time of our lives is of con-

cern, it is not what is ultimately important. We need to learn the difference between being and doing, drawing more strength from who we are and who God is rather than what is happening around us and our choices. Jesus is the true bread that came down from heaven. Jesus is the very incarnate presence of God, who sustains life and assures us that we will not perish. This is not easy to understand and feel. We must practice being in the presence of ourselves, others, creation, and God. We are brought to a holy place when we encounter the sacredness of being. This is real prayer. Then, we learn to trust. When we cease trusting, we start to become afraid, uncertain, apprehensive, doubtful, and overly self-concerned. We even begin to grumble. But God has our back. That is the essential, powerful message of the living bread coming down from heaven. God, who is alpha, is also omega, the beginning, and the end, and has everything in between in his care as well.

A woman once remarked that her most powerful God moment happened when she and her husband cuddled with their new baby for a time. They rested in being with each other without exchanging words and using only the affection communicated through sight and touch. This brought them to the sacred, where they realized that a greater Being was with them. It was real. They knew they were part of something bigger, intimate, and profound. When we rest in the Living Source of life, we will find that our souls are no longer hungry or thirsty.

~ Rev. Mark Suslenko

This Day in History - August 3, 1977

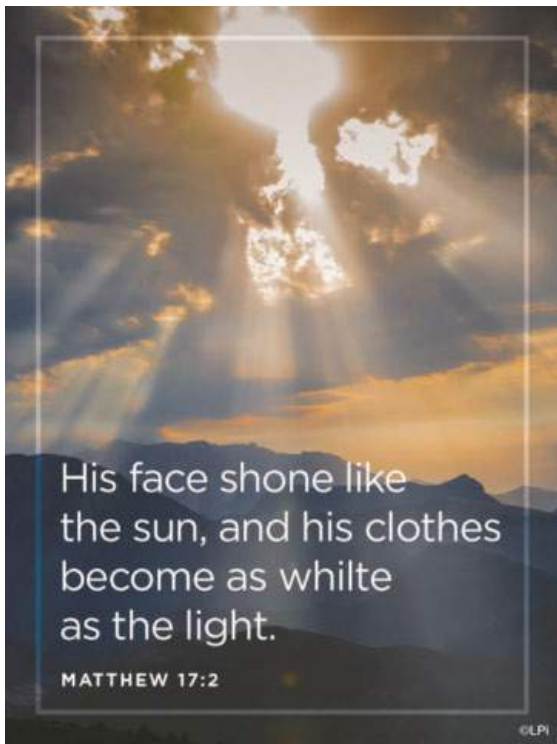

The TRS-80 Micro Computer System was a desktop microcomputer launched in 1977 and sold by Tandy Corporation through their Radio Shack stores. The name is an abbreviation of Tandy Radio Shack, Z [microprocessor]. It is one of the earliest mass-produced and mass-marketed retail home computers.

Trs80_4p_delsener.jpg:
David Elsener ("Delsener")

Tandy was one of three companies (along with Commodore International and Apple) that started the personal computer revolution by introducing complete pre-assembled microcomputers instead of do-it-yourself kits. Their TRS-80 line of home computers was popular in the years before the IBM PC became commonplace and was widely distributed in Radio Shack stores when there were few computer stores.
